March ARB CA 92518-1667

SUBJECT: Memorandum of Appreciation

1. Thank you for your contribution of bottled water for the Operational Readiness Inspection "Welcome Home" reception for our returning warriors. The support and appreciation extended to all our participating airmen enhanced our wing's esprit de corps and reinforced my personal doctrine, "If you take care of your people, they will take care of the mission."
2. You probably considered this a small effort on your part, but I can assure you the returning deployers sincerely appreciated the enthusiastic welcome and refreshments they received when they returned. The generosity of people like you and your business is very much appreciated and is not taken lightly, especially in light of today's economy.
3. Again, the men and women of the 452d Air Mobility Wing at March Air Reserve Base thank you and I thank you. We look forward to your participation and continued support in future endeavors!

*I was honored
to take a few
photos with you,
